Clarissa,

It was a pleasure, both meeting and working with you. I look forward to working with you again. I am so glad that you felt the time was well spent and a benefit to your staff and associates.

We arrived safe and sound in Kansas City last night. Thank you for asking.

We will probably have a question or two regarding the Expense Report and will contact you as necessary. We'll try not to take up too much of your time.

I would you like to thank you for coordinating this project and helping us achieve a successful training event. The training room was perfect. Everyone there was so nice. The lunches were excellent. Thanks Barita (*spelling?*) and anyone else who may have been involved with those arrangements.

Keep in touch and let me know if there's anything else I can to for you.

Sincerely,

James Portuguese

Thank you both very much for presenting the SERFF training here at the Louisiana Department of Insurance. Our staff picked up a lot of useful information!

I hope the two of you enjoyed your stay in Baton Rouge and had a safe trip back to Kansas City. You are welcome to come back and visit with us at any time!
